Principal
Moseley Infrastructure
Advisory Services

WAPPP 2026 THEME LAUNCH

Why National Infrastructure Financing Institutions Matter

Mark brings deep expertise in diagnosing why traditional infrastructure financing approaches struggle to deliver at scale and where gaps between policy, projects, and capital arise. An expert in the policy and legal aspects of private investment in infrastructure, he advises governments globally, drawing on previous roles with the Global Infrastructure Hub and the World Bank.

ZIAD-ALEXANDRE HAYEK
President
WAPPP

WAPPP 2026 THEME LAUNCH

Why National Infrastructure Financing Institutions Matter

Ziad brings a strategic, system-level perspective on how today's infrastructure financing challenges fit within broader PPP ecosystems and institutional reform agendas. He is President of WAPPP and has worked for over two decades with governments, MDBs, and international organizations to advance PPP frameworks and infrastructure policy worldwide.

JYOTI BISBEY
Executive Committee
WAPPP

WAPPP 2026 THEME LAUNCH

Why National Infrastructure Financing Institutions Matter

Jyoti brings a practitioner's perspective on why infrastructure policies and project pipelines often fail to translate into bankable investments and sustained private capital mobilization. She has advised governments across multiple regions on PPP reform, project preparation, and capacity building, drawing on senior roles with the World Bank and the United Nations.

SERGEI SAMOLIS
CEO
PPP Expertise Eurasia

WAPPP 2026 THEME LAUNCH

Why National Infrastructure Financing Institutions Matter

Sergei brings hands-on experience in how financing and institutional gaps affect PPP structuring, bankability, and project delivery in practice. He has led and advised on PPP transactions across sectors and regions, supporting governments and private sponsors through project preparation, procurement, and financial close.
